1 Introduction

Lower Peover Parish Council may have an important role in both the response to, and recovery from, an emergency.

It is possible that the Parish Council may be able to act faster than some responding agencies and the local knowledge possessed by the Parish Council may prove invaluable.

By completing a Community Resilience Emergency Plan, the Parish Council is putting in place arrangements to mobilise resources that exist in our community to support residents, businesses, visitors and outside agencies in the event of an emergency.

During a major, wide area incident, it could be some time before responding agencies are able to offer assistance and by planning in advance, the Parish Council could provide key assistance coordinating local response activities.

2 Purpose of the Plan

2.1 Aims

The aim of the Community Plan is to increase short term Community Resilience in response to an Emergency occurring in the local area.

Definition of Community Resilience:

‘Communities and individuals harnessing local resource and expertise to help themselves in an emergency, in a way that compliments the response of the emergency services’

2.2 Objectives

- To enable the Community to respond effectively to an Emergency that occurs in the local area.
- To identify resources and key contacts within the Community that can assist the emergency services and Local Authority in the response to an Emergency.
- To identify hazards and possible mitigation measures within the community.
- To identify vulnerable people within the community

2.3 Roles and Responsibilities

- The Parish Council and other involved local bodies are committed to delivering this plan for the benefit of residents in the Parish. However, it should be noted that this support will be delivered by local volunteers. Those volunteers delivering the support will endeavour, subject to their skills and availabilities, take all reasonable measures to achieve the plan objectives.
- The role of the Parish Council is initially to use reasonable actions to ensure that the Emergency Services have been alerted to a potential incident and to establish contact with the Joint Cheshire Emergency Planning Team. Once the Emergency Services have been contacted, provide information, to those bodies to help them establish the nature and scale of the emergency. The Community Emergency Group will help the Emergency Services to identify impacted and vulnerable individuals. After the event - to liaise with residents, Emergency Services and any other involved participants to learn from the experience and determine what worked and what can be improved on.
- To maintain and update the plan based on latest requirements, lessons learnt, changes of contacts etc and good practice.

2.4 Scope

This Resilience Plan has been developed to support the Emergency response to Community wide major incidents rather than individual household issues.

A Community wide event can be characterised as:

- An event that affects typically multiple households, be it associated with people, their properties, access to them or the services they use.
- Requiring the engagement of multiple Emergency Services such as Police, Fire, Utilities or Cheshire West and Chester Emergency response.
- Beyond the capacity of any one household to resolve.
- Caused by an event from outside the property, such as flood water entering from outside the property.

It does not include:

- Individual households, unless there are some extenuating circumstances, such as the people impacted are classed as vulnerable; the cause is by circumstances out in the wider Community environment.
- Health matters, unless required by Cheshire West and Chester Council or the Emergency Services.
- General short-term operational failures to access utilities or services such as typical power outage.

3 Local Risk Assessment

Risk	Impact on community	Preparation & Actions
<p>Heavy Rain / Floods</p>	<ul style="list-style-type: none"> • Potential homelessness. • Road closures. • Damage to property. 	<ul style="list-style-type: none"> • When heavy rain is forecast, and flooding is possible checkout the latest rainfall situation via the radar facility on the Met Office website: http://www.metoffice.gov.uk/public/weather/observation/map/gcmw5w26#?map=Rainfall&fcTime=1480474800&zoom=8&lon=-2.89&lat=53.19 • List of appropriate voluntary / community organisations able to assist vulnerable residents. • Identify premises for a Rest Centre and inform the Joint Cheshire Emergency Planning Team.
<p>High Winds</p>	<ul style="list-style-type: none"> • The primary consequences of severe weather are - the disruption it causes to the various forms of transport and power supplies, together with a surge in demand for the NHS. • Structural damage to buildings and residential property. • Power outages resulting from damage to infrastructure • Numerous trees brought down with associated risk to vehicles/pedestrians. • Roads closures due to debris. 	<p>Stay 'weatherwise' by keeping up to date with the latest weather forecast, either via the Met Office's app on your smartphone, via the Met Office's website www.metoffice.gov.uk or through the broadcast media.</p> <p>Pay particular attention to any severe weather warnings issued for Cheshire and plan your journeys with the weather in mind, allowing extra time if necessary.</p> <p>For tips on dealing with severe weather browse the series of infographics produced by the Met Office for the public at http://www.metoffice.gov.uk/guide/weather/severe-weather-advice</p> <ul style="list-style-type: none"> • Convey warning and informing messages.

	<ul style="list-style-type: none"> • Widespread travel disruption (road, rail, air, sea) • Potential homelessness. • Potential temporary evacuation of residents. • Danger to life from windborne objects 	<ul style="list-style-type: none"> • Trigger Parish Council action plan. • Check on vulnerable residents. • Identify premises for the Rest Centre and inform the Joint Cheshire Emergency Planning Team. • List of appropriate voluntary / community organisations able to assist vulnerable residents. • Prepare list of local building contractors. • Contact the Cheshire Local Resilience Forum and Cheshire West and Chester Emergency Planning dept for advice.
<p style="text-align: center;">Heavy Snow / Low Temperatures</p>	<ul style="list-style-type: none"> • One of the key knock-on consequences of low temperatures/snow is the widespread closure of schools, together with the struggle to maintain public services. • Housebound vulnerable residents are unable to obtain supplies. • Gridlock traffic in and out of the Parish. • Residents are unable to go to work / school. • Damage to buildings / bridges. • Widespread travel disruption (road, rail and air) with higher level routes particularly affected. • Risk of remote/high lying rural communities being cut off for days. • Power outages • Increase in hospital admissions due to slips/falls on frozen surfaces. 	<p>Stay 'weatherwise' by keeping up to date with the latest weather forecast, either via the Met Office's app on your smartphone, via the Met Office's website www.metoffice.gov.uk or through the broadcast media.</p> <p>Pay particular attention to any severe weather warnings issued for Cheshire and plan your journeys with the weather in mind, allowing extra time if necessary.</p> <p>For tips on dealing with severe weather browse the series of infographics produced by the Met Office for the public at http://www.metoffice.gov.uk/guide/weather/severe-weather-advice</p> <ul style="list-style-type: none"> • Convey warning and informing messages. Update social media platforms. • Trigger Parish Council action plan. • Identify housing occupied by vulnerable residents. Contact CWCC for list of vulnerable residents.

		<ul style="list-style-type: none"> • Prepare a list of voluntary agencies and community groups who may deliver essential supplies to vulnerable residents. • List of appropriate voluntary / community organisations able to assist and deliver essential supplies to vulnerable residents. • Prepare list of local building contractors. • Contact Joint Cheshire Emergency Planning Team for advice. • Identify premises for Rest Centre and inform Joint Cheshire Emergency Planning Team. • Check gritting routes with Cheshire West and Chester Council Highways on X (formally Twitter) or Cheshire West and Chester Council webpage. • Identify B&B for stranded motorists.
Prolonged excessive heat weather conditions	<ul style="list-style-type: none"> • Increase in hospital admissions for heat related causes including exhaustion, dehydration, sunstroke, especially amongst the very young and the elderly. • Housebound or vulnerable residents are unable to cope with heat. • Disruption to transport due to the effects of high temperatures on rails, tarmac 	<ul style="list-style-type: none"> • Identify households with very young or elderly residents whose systems cannot cope with extreme heat. • List of voluntary agencies to support vulnerable residents. • List of suppliers for electrical fans
Chemical Spill / Explosion / Fire	<ul style="list-style-type: none"> • Potential structural damage to buildings and residential property. • Atmospheric pollution. 	<ul style="list-style-type: none"> • Identify premises as forward control for use by the Emergency Services. • Contact Environment Agency. • Prepare list of local building contractors.

<p>Gas Pipeline Explosion – Oil line</p>	<ul style="list-style-type: none"> • Potential loss of life. • Homelessness. • Potential structural damage to buildings and residential property. • Loss of infrastructure. 	<ul style="list-style-type: none"> • Identify premises as forward control for use by the Emergency Services. • Identify premises for Rest Centre and inform Joint Cheshire Emergency Planning Team • Prepare list of local building contractors.
<p>Environmental Incidents</p> <p>An environmental incident may impact air, land and water.</p> <p>Water – pollution of surface and ground water</p> <p>Land – former or active industrial sites that are contaminated</p> <p>Air - Air pollution may include fires, explosions and chemical/fuel releases. Smells may also be caused by waste spreading, accidental or deliberate burning of manure or materials such as asbestos or tyres.</p>	<ul style="list-style-type: none"> • Breathing problems • Pollution of water courses • Environmental pollution • Damage to Sites of specific scientific interest (SSSI) • Damage to wildlife and the environment • Health risk to residents and visitors 	<ul style="list-style-type: none"> • Identify vulnerable residents. • Coms messages on local Social Media platforms. Follow Public Health advice to keep residents indoors, close windows. • To report an Environmental incident, call the Environment Agency. • Follow advice given by the Emergency Services and the Environment Agency during an Incident. • Determine who is at risk in the community to include anyone in the vulnerable group • Work with local emergency services / utility companies and Local Authorities to produce a list of affected people and ensure they are contacted and offered assistance • Encourage vulnerable residents to inform utility companies that they are considered vulnerable and may require assistance
<p>Animal Disease</p> <p>Animal diseases which present the most concern is those which are highly contagious, cause high fatality rates</p>	<ul style="list-style-type: none"> • Closure of footpaths • Damage to the local agricultural economy. • Mass cull/ disposal of animal carcasses • Loss of livelihood for farmers and farm workers. 	<ul style="list-style-type: none"> • Identify local footpaths. • Maintain contact with CWCC representatives from the Emergency planning and animal welfare team.

<p>amongst livestock or have the possibility of infecting humans.</p> <p>Within the multi-agency planning work the following diseases are considered: Avian Influenza, Bluetongue, Classical Swine Fever, Foot and Mouth Disease, Newcastle Disease, Rabies and West and Nile Virus.</p>	<ul style="list-style-type: none"> • Health risks to farm workers. • Any animal disease within Cheshire may have a huge impact on the agricultural economy as well as the overall economy of the county. 	<p>If an outbreak is declared, then follow any guidance from the government to protect livestock and limit the spread of disease</p> <p>https://www.gov.uk/government/organisations/animal-and-plant-health-agency</p> <ul style="list-style-type: none"> • Trigger Parish Council action plan. • Contact the joint Cheshire Emergency Planning Team for advice. • Contact affected members of the community • Convey warning and informing messages. • Messages would be provided by the CWCC animal welfare department. Contact via emergency planning team
<p style="text-align: center;">Pandemic</p>	<ul style="list-style-type: none"> • Disruption to amenities, impact on local business. • Vulnerable residents are unable to gain access to supplies and medication 	<ul style="list-style-type: none"> • Revert to online meetings to reduce interaction. • Work with CWCC to identify housing occupied by vulnerable residents. • Prepare a list of voluntary agencies and community groups who may deliver essential supplies to vulnerable residents.
<p style="text-align: center;">Major Traffic Incident M6</p>	<ul style="list-style-type: none"> • Disrupted traffic in and out of the village. Slow moving traffic on smaller B roads. • Residents are unable to travel to or from work/school. • Damage to buildings/bridges. • Potential loss of life. 	<ul style="list-style-type: none"> • Identify B&B where stranded motorists can be accommodated. • Identify local café for refreshments should stranded motorists need it. • Identify alternative routes through the Parish. • Update social media platforms.

<p>Train Crash</p>	<ul style="list-style-type: none"> • Potential temporary evacuation of residents. • Disruption to infrastructure. • Stranded passengers • Potential loss of life. 	<ul style="list-style-type: none"> • Identify premises as forward control for use by Emergency Services. • Identify premises for a Rest Centre and inform the Joint Cheshire Emergency Planning Team. • Identify alternative methods of transport. • Update social media platforms.
<p>National Power Outage</p>	<ul style="list-style-type: none"> • Loss of ability to heat homes and prepare food • Loss of access to the internet / phone lines • Adverse effects on businesses • Potential temporary evacuation of residents. • Potential loss of life. • Loss of infrastructure. • Disruption to amenities, impact on local business • Housebound vulnerable residents are unable to obtain supplies. 	<ul style="list-style-type: none"> • Determine who is at risk in the vulnerable group • Work with local emergency services / utility companies and Local Authorities to produce a list of affected people and ensure they are contacted and offered assistance • Encourage vulnerable residents to inform utility companies that they are vulnerable. • Identify buildings with back-up generators to use as hub / safe place. • Identify vulnerable people who use lifesaving medical equipment. • Identify water and food suppliers. • Identify alternative methods of communication.
<p>Subsidence</p>	<ul style="list-style-type: none"> • Potential structural damage to buildings and residential property. • Homelessness 	<ul style="list-style-type: none"> • Identify premises as forward control for use by the Emergency Services. • Identify local B&B. • Prepare list of local building contractors. • Contact structural engineer.

4 Activation Triggers

This plan can be activated by the following means and action taken as indicated.

Source	Action to be taken
<p>A telephone call from any of the Emergency Services or Joint Cheshire Emergency Planning Team</p> <p>to</p> <p>Lower Peover Council or to the Lower Peover Emergency Community Co-ordinator / Deputy Emergency Community Co-ordinator.</p>	<ul style="list-style-type: none"> • Take a detailed note of the nature of the emergency and any request for immediate assistance. • Make a note of the organisations, name, address, and telephone number of the caller. • Activate the “WhatsApp Group for Emergency Coordinators” if appropriate. • Emergency Community Co-Ordinator to set up a command post at Lower Peover Primary school or, if that is not safe, at another appropriate Key Location. • Inform Emergency Services and Joint Cheshire Emergency Planning Officers of the location and contact numbers of the agreed Lower Peover Command Post. • Take appropriate action as requested by the Emergency Services and our Joint Cheshire Emergency Planning Officers.
<p>A telephone call from a member of the public direct to Lower Peover Parish Council</p> <p>but</p> <p>no communication possible with Emergency Services or Emergency Planning Team.</p>	<ul style="list-style-type: none"> • Take a detailed note of the nature of the emergency and any request for immediate assistance. Include exact location, type of incident, any hazards, access issues and any casualties. • Make a note of the name, address, and direct telephone number of the caller. • Convey this information to the Emergency Community Co-Ordinator who will activate the “WhatsApp Group or telephone tree for Emergency Coordinators” if appropriate. • Emergency Community Co-Ordinator to set up a command post at Lower Peover Primary school or, if that is not safe, at another appropriate Key Location. • Emergency Community Co-Ordinator to take all appropriate action until communication can be made with the Emergency Services who will thereafter take control of the incident. This to include, if necessary, the calling of a Community Emergency Meeting (appendix B) • Take appropriate action as requested by the Emergency Services and Joint Cheshire Emergency Planning Officer.

5 Emergency Co-ordinators Contact List

In the event where the Emergency Community Co-ordinator or deputies cannot be contacted the clerk of the Parish Council will assume the role of Emergency Community Co-ordinator.

Title	Name	Contact Details	Address
Emergency Community Coordinator	Parish Clerk Geoff Parker	07842 510313 lowerpeoverparishcouncil@outlook.com	
Deputy Emergency Community Chair / Coordinator (1)	Ben Jackson	07817 825359 benjackson84@hotmail.co.uk	Contact PC Clerk
Deputy Emergency Community Coordinator (2)	Paul Binyon	07920 132635 paulbinyon@outlook.com	Contact PC Clerk
Other individuals to contact in an emergency			
CWCC Councillor	Cllr Mark Stocks	mark.stocks@cheshirewestandchester.gov.uk 07470 118378	King Street Farm, King Street, Byley, Middlewich, CW10 9LB
All Lower Peover Parish Councillors		Lower Peover Councillors WhatsApp group	

6 WhatsApp Group for Emergency Coordinators

A WhatsApp group has been set up which includes the Co-Ordinator's listed in part 5. In the event of an emergency, the WhatsApp group will be used to pass information between the Co-Ordinator's.

Note: In the event of a breakdown in communication using the WhatsApp group, Geoff Parker is the nominated person assigned to ensure that all necessary information is passed on. In the absence of Geoff Parker, Ben Jackson shall be the officer responsible.

Appendix A - Emergency Action Check List

- Ensure the Emergency Services and Local Council are aware of the situation, follow any advice given.
- Use the log sheet to record any actions taken, any decisions that have been made, who you spoke to and what was said (see appendix E).
- Contact other members of the Community that need to be alerted. Those specifically under threat.
- Contact volunteers and key holders that may be needed.
 - those specifically under threat
 - volunteers and key holders that may be needed.
 - Media Co-ordinator - Cllr Lou Collett

Appendix B - Community Emergency Meeting

- Is a Community Emergency meeting necessary?
- Has the Community been informed there will be a meeting?
- Has Cheshire West and Chester Council been informed you are holding a Community Emergency meeting?
- Is the venue safe to hold the meeting and can people get there safely?

Appendix C - Community Emergency Group Meeting Agenda

Example Community Emergency Group Emergency Meeting Agenda

Date:

Time:

Location:

Attendees:

1. What is the current situation?

You might want to consider the following:

Location of the emergency. Is it nearby:

- A school?
- A vulnerable area?
- A main access route?
- Type of emergency?
- Is there a threat to life?
- Has electricity, gas or water been affected?

Are there any vulnerable people involved?

- Elderly
- Families with children
- Non-English-speaking people
- What resources do we need?
- Food?
- Off-road vehicles?
- Blankets?
- Shelter?

2. Establishing contact with the emergency services

3. How can we support the emergency services?

4. What actions can safely be taken?

5. Who is going to take the lead for the agreed actions?

6. Any other issues?

Appendix D - Agreed Actions with CWCC in the event of an evacuation

Use this space to record details of the actions you can take to help your local authority if an evacuation is necessary in your community.
