If you would like to volunteer to help other people in the village, we would be delighted. We are looking for volunteers who can help with shopping, picking up prescriptions, dog walkers, and a friendly voice for a chat at the end of the phone.

Good neighbours and community spirit can make a big difference to others at this time.

To volunteer please email us at: **info@lowerpeoversupport.co.uk** with information about how you would be able to help, and times and days you would be available each week and we will be in touch.
